

INTENT TO MINE

S&T Recycling has applied to the S.C. Department of Health and Environmental Control for a permit to mine sand/clay in South Carolina. A proposed reclamation plan has been submitted indicating that after mining the site will be restored to land clearing debris landfill. The proposed mine is located in Lexington County approximately 2.5 miles north east of Lexington, South Carolina. Specifically the site is located south and adjacent to US Highway 378 and 2.75 miles west of its intersection with Interstate 20.. Any comments or inquiries concerning this application should be received by the S.C. Department of Health and Environmental Control before 5:00 p.m. on April 19, 2005. Comments should be sent to the attention of Adrienne Wright, Division of Mining and Solid Waste Management, Bureau of Land and Waste Management, 2600 Bull Street, Columbia, South Carolina, 29201, phone (803) 896-4265. Any individuals with disabilities or special needs who want to review the file should contact the Department at least one week prior to the end of the comment period to discuss any special services required.
